SOLARIF
INSURANCE

CERTIFICATE

Solarif Insurance (i.e. Solar Insurance B.V.) declares, after a thorough risk assessment of amongst others the production lines, financial strength, environmental and labor conditions, that the modules mentioned below from the **Sapphire Solar Limited** factory located at 800 Zhenbei Road, Chili, Huzhou, Zhejiang, PRC, are approved.

The certificate is valid from **18 July 2016** until **10 November 2016** and as long as the company is not insolvent.

This certificate enables clients who use the approved inverters to insure their PV installation – as an optional cover on the operational Solar PV Insurance – against damages arising from or caused by an inherent defect.

This insurance is exclusively available through Solarif.
