Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. How will I pay for the services provided?

Payment for the services we provide to you are payable directly to Westminster. For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. Westminster often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to Westminster by the insurers. However, in some cases you will also be charged a fee. These will all be shown on the invoice that we send you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay Westminster within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay your premium it will be banked into Westminster's trust account. Westminster will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with Westminster's arrangements with the insurer. Westminster's will earn interest on the premium while it is in our trust account, or we may invest the premium and earn a return. Westminster will retain any interest or return on investment earned on the premium.

You may also pay your invoice utilising premium funding. If you do use premium funding you are able to pay your premium by instalments, although you will incur a fee and interest. Any benefit Westminster may receive as a result of premium funding being arranged for you is set out in this document.

How are any commissions, fees or other benefits calculated for providing the financial services?

Westminster's commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = Westminster's commission

Y% = the percentage of commission paid to Westminster by the insurer. Westminster's commission varies between 0% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

We will receive the following remuneration in respect of the services provided:

- a percentage share of between 0 – 80% of commission and fees generated by Solarif AU in the placement of insurance policies.

Any fees that we or Westminster charge you will be itemised on our Invoice or Statement and for Retail Clients we disclose the dollar value of the commissions earned. If you pay by credit card we may charge you a fee which is non-refundable and reimburses us for bank fees, interests and charges associated with the use of a credit card. If you are no longer a client of Westminster, we may charge you a fee associated with the ongoing cost of managing your claims. Depending on any written agreement with us, this fee is up to \$250 per hour.

Westminster do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If Westminster does, Westminster will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 1% to 50% of our commission or fees.

Westminster's employees are paid a market salary and may be entitled to a performance bonus depending on the quality of work that they provide to clients during any financial year and the achievement of company goals. Westminster's employees may also be invited to annual conferences, receive sponsorship for conferences, functions, meals or other non-monetary benefits from external parties such as insurers, underwriting agencies or reinsurers. You do not bear the cost of these events and such relationships are managed under Westminster conflicts of interest policy. Westminster policy is that any of the above received by us or our representatives that exceed \$300 per item or transaction in estimated value are potentially material and must be disclosed to Westminster Conflicts Manager in writing.

See below for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

As a Steadfast Network Broker of Steadfast Group Limited, ABN 98 073 659 677 (**Steadfast**), Westminster have access to services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

Steadfast has arrangements with some insurers and premium funders (Partners) under which the Partners may pay Steadfast commission of between 0.5 – 1.5% for each product arranged by Westminster with those Partners, or alternatively a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners.

Westminster may receive a proportion of any commission paid to Steadfast by its Partners at the end of each financial year (or other agreed period). You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we and Westminster may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we and Westminster paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when Westminster become entitled to the commission.

Westminster's commission rates for premium funding are in the range of 0% to 6% of funded premium. When we arrange premium funding for you, you can ask us what commission rates Westminster are paid for that funding arrangement compared to the other arrangements that were available to you.

In some instances we have agreements with various insurers to pay us a commission based on the volume of, or profitability, of work that we place with them. Some of those agreements include a profit share. Please let us know should you require more information about those insurers with which we have these agreements. These arrangements do not impact on the amount you are required to pay for your insurance and does not influence us in deciding where to place your insurance.

Westminster subscribes to the Insurance Brokers Code of Practice.

This policy satisfies the requirements for compensation arrangements under section 912B of the Corporations Act.

Cooling off Period

If you decide that you do not need the retail insurance which has been arranged on your behalf, you have a minimum of 14 days from the earlier of the date you receive confirmation of the contract and the date it was arranged to change your mind. You must tell the insurer in writing that you wish to return the insurance contract and

have the premium repaid. If you do so, the insurance contract will be terminated from the time you notified the insurer and the premium will be returned.

The insurer may retain its reasonable administration and transaction costs and a short term premium. You cannot return the contract of insurance if it has already expired or if you have made a claim under it.

We note that the above is the standard cooling off period and that you should check your Insurer's Product Disclosure Statement for the specific cooling off period that relates to your product.

Making a claim

Please contact Us or your Insurer immediately if you need to lodge a claim. Further details on how to make a claim on your policy can be found in the relevant Product Disclosure Statement.

Duty to take reasonable care not to make a misrepresentation

A contract of insurance is a consumer insurance contract if the insurance is obtained wholly or predominantly for personal, domestic or household purposes of the insured. It includes general insurance contracts (such as consumer credit, motor vehicle, home and contents, sickness and accident and travel insurances) and life insurance contracts.

When you apply for home insurance, car insurance or any other insurance that is wholly or predominantly for personal, domestic or household use we will ask you specific questions that are relevant to the insurers decision to insure you and on what terms including the premium that the insurer will charge.

When you take out, renew, extend or vary your insurance policy, it is important that you understand you are answering questions for yourself and anyone else to be covered by the policy.

You should always provide us with complete and honest answers to all the questions we ask you, by answering questions about yourself and other named policyholders to the best of your knowledge.

This is your duty to take reasonable care not to make a misrepresentation.

If you breach your duty, the insurer may be entitled to refuse to pay your claim, reduce the amount payable for a claim or cancel your policy.

If your breach is fraudulent, your policy may be cancelled from the beginning.

Changes to your circumstances

During the term of your contract of insurance, we ask that you inform your insurer of any changes to the details on your Certificate of Insurance that are no longer accurate.

Any changes may affect the premium and excesses applied to your policy or your insurances may be inadequate to fully cover you.

We can assist you to do this and to ensure that your contract of insurance is altered to reflect those changes.

Restraint Provision

It is understood and agreed that clients are not permitted to trade with past employees of Westminster Insurance Brokers Pty Ltd (ACN 113 735 167) or Westminster Broking House Pty Ltd (ACN 008 908 852) for a period of 24 months from the termination of the employees employment with either of the companies noted.
